The Silkworm by Robert Galbraith review – A Cormoran Strike Novel

Are you looking for The Silkworm by Robert Galbraith review ?

The Overview

When novelist Owen Quine goes missing, his wife calls in private detective Cormoran Strike. At first, Mrs. Quine just thinks her husband has gone off by himself for a few days-as he has done before-and she wants Strike to find him and bring him home.

But as Strike investigates, it becomes clear that there is more to Quine's disappearance than his wife realizes. The novelist has just completed a manuscript featuring poisonous pen-portraits of almost everyone he knows. If the novel were to be published, it would ruin lives-meaning that there are a lot of people who might want him silenced. When Quine is found brutally murdered under bizarre circumstances, it becomes a race against time to understand the motivation of a ruthless killer, a killer unlike any Strike has encountered before... A compulsively readable crime novel with twists at every turn, *The Silkworm by Robert Galbraith* is the second in the highly acclaimed series featuring Cormoran Strike and his determined young assistant, Robin Ellacott. Full Features

The Silkworm of Robert Galbraith is a very well-written, wonderfully entertaining take on the traditional British crime

novel...Robert Galbraith may proudly join the ranks of English, Scottish and Irish crime writers such as Tana French, Ian Rankin, Val McDermid, John Connolly, Kate Atkinson and Peter Robinson. *The Silkworm* is her second book (following the Cuckoo's Calling) featuring the wounded military veteran turned detective Cormoran Strike and his trusted young assistant Robin Ellacot. The crime fighting duo get caught up with the murder of a known novelist. The victim a (self-centered) author named Owen Quine disappearance and murder is tied to a scandalous novel he was composing that would reveal hidden secrets of almost everyone he knew (mostly people in the publishing business). Quine's murder is grisly to say the least and very twisted. *The Silkworm of Robert Galbraith* is fast-paced and entertaining... Strike is heroic without intending to be and has a great back story. He's the illegitimate son of a rock star whose half-siblings grew up in privilege... And he's brooding, but not annoyingly so. Strike has all kinds of potential. It'd be a crime not to keep up with him. [more...](#)

Why should we read *The Silkworm* by Robert Galbraith ?

- It is artful – meaning it has a unique structure and mix of old English literature – each chapter begins with a quotation from mostly past Jacobean plays & Rowling's English style of writing places you in the London/Westminster area accurately.
- It was written by a very famous author and you will gain a realistic perspective of the strangeness of fame.
- Ms. Rowling has further developed her lead character Detective Strike brilliantly by revealing more of the personal struggle in his life.
- The last line of *The Silkworm*, which will lift the hearts of readers who have come to love its deeply sympathetic characters, offers the prospect of more of that joy both for her and for us.
- Lastly, *The Silkworm of Robert Galbraith* is a page turner with a very clever unexpected ending – the key requirement for a crime mystery novel.

In my opinion, Galbraith's greatest strength is the ability to build believable, unique characters who are realistic and have distinct speaking styles. Well, that and stunningly good prose.

Thanks for reading *The Silkworm* by Robert Galbraith review, if you would like to read full novel. [please visit here](#)

Having just the better part of a day and a night making my way through the 455 pages of *The Silkworm* ... I must say, I don't mind at all... The murder mystery at the heart of *The Silkworm* is a genuine mystery with an altogether satisfying resolution.
